

Bob Zack is the left fielder for Walteria Park Pee Wees. The league is sponsored by the Torrance Recreation Department.

John Meebourn is pitcher for the Seaside School Pee Wees league sponsored by the Torrance Recreation Department.

## CONSTIPATION STOMACH GAS

### RELIEF IN 20 MINUTES

## ENJOY A TRIAL TREATMENT \$3

Lawyers, priests, clergymen, doctors, nurses, famous celebrities, even unemployed—visit my office from all parts of California, the United States and foreign countries and are treated for practically all of the ills of mankind. Why? Because many people with asthma, heart trouble, blood pressure, skin disorders and many other ailments respond to these treatments—"as if by magic." Amazing testimonials.

Treatments given in my office are given under the direct supervision of a doctor licensed by the State of California especially trained for this type of therapy.

The doctor is assisted at all times by nurses and supervisors that are especially trained regardless of their previous nursing experience.

Perhaps this is the reason that my office has given more than 725,843 various treatments, the largest institution of its kind in the entire world.

**REMEMBER** My office opens at 6 a.m. and closes at 9 p.m. Come in the morning before going to work, tonight after work or any time during the day.

**6 A.M. to 9 P.M.**  
Every day except Sunday  
No appointment necessary

## MORTUARY

(Continued from Page 1)

City Council in a 4 to 1 vote, with Councilman Albert Isen opposing the new mortuary.

The mortuary controversy had been going on for a period of eight months before it finally came to a vote.

Halverson, owner of the proposed mortuary, shrugged the present matter off as "just a lot of petty fooling around."

"They can sue us for the rest of our life," he said. "As far as we're concerned we're going ahead with our plans. This is just a temporary stalling deal. We've held back long enough."

Miller filed a petition for a writ of mandate in the Superior Court of the State of California, through his attorney, Jack R. Stearns.

**Reasons**  
The following reasons are:

1. Halverson failed to establish that he is the owner of the property as required by ordinance; (2) the Planning Commission did not make findings of fact why the variance should be granted; (3) Halverson's application does not set forth facts why the variance is justified nor were construction plans submitted; (4) no evidence was submitted by Halverson of his ability to proceed with the construction of the mortuary within 60 days of the granting of such variance; (5) the Planning Commission did not send its findings to the Council as required by ordinance.

**Arguments In Favor**  
Those favoring the new mortuary during discussions in the Council chamber maintained that it is not right for one mortuary to have a monopoly in Torrance; that Torrance's huge population demands more than one mortuary; that residents in the area have not much reason

## GLASSES

on terms

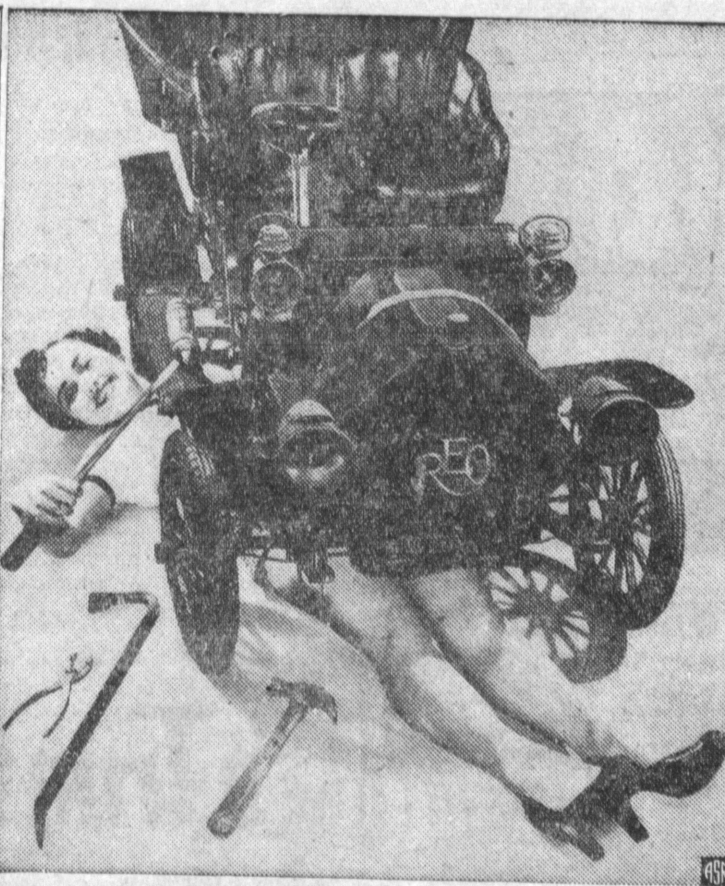

Does small print blur or run together when you read? Do your eyes smart or burn after prolonged close work or watching television? If so, phone FA. 8-6602 for a convenient appointment. We make scientific eye examinations and invite you to bring your VISUAL PROBLEMS to us.

Open All Day Saturday and Evenings by Appointment. Broken Lenses Replaced. 24-Hour Service (in most cases). Convenient weekly or monthly terms if desired.

REO: Original "small car" could well be this 1906 Reo, which Reo Motors plans to take on a tour of the country to celebrate its fiftieth anniversary if it can find someone small enough to drive it. Repairing the "Baby Reo" is a snap for this pretty mechanic. Car was built by Ranson E. Olds, founder of the company. Driver's seat is only nine inches wide, and there is only 12-inch clearance between the edge of the front seat and the pedals.

to complain about a mortuary on the corner since there is already a mortuary right across the street; and that there will always be objections to mortuaries on the part of some regardless of where mortuaries are located.

**COOL HOMES**  
Researchers at the University of California College of Agriculture are studying ways to have cooler homes in warm areas. Frederick A. Brooks, professor of agricultural engineering, is designing homes more comfortably suited to the warmer areas.

**Sermon Topic**  
Pastor Duty, of the First Baptist church of Walteria, located at the corner of Park and Newton streets, announced that his sermon topics for Sunday, August 29, will be "Come Unto Me" at the 11 o'clock morning worship service and "An Insight of Church Leadership," a study of the Epistle of III John, at 7:30 p.m.

**NEPTUNE**  
Neptune is the planet farthest from the sun, with a distance of 2.75 million miles. It is 97 times larger than the earth.

## Girls Enjoy First Campout In Flint Yard

Members of Lomita Brownie Troop 1720 enjoyed their first overnight campout last week in the back yard of their leader, Mrs. B. L. Flint, 25623 Oak street, Lomita.

Raw vegetables, hamburgers, and foil-baked potatoes prepared outside by the campfire were thoroughly enjoyed, as were the "smores," the latter being marshmallow and chocolate filled graham crackers. After games and songs around the campfire, the little girls fell sound asleep in the huge tent that was set up by R. Butler and B. Flint.

In the morning the girls efficiently handled the chores for a breakfast of french toast, oranges, and hot chocolate topped with marshmallows... all prepared outside.

Enjoying the event were Lynn Bulwa, Carolyn Butler, Betty Chambers, Kathleen Flint, Susan Katila, Janet Powers, Jeanne Powers, and Mary Winckel. Grown-ups assisting were Mesdames R. Butler, C. R. Dexheimer, B. L. Flint, leader, and M. W. Bulwa, co-leader.

Dick Meyers plays left field on the Crenshaw Pee Wee League. The league is sponsored by the Torrance Recreation Department.
